

Big Sound in a Small Town

A public arts project combining music and art in the form of playable pianos painted in attractive scenes and colorful designs. People are invited to play the pianos and enjoy this fun and lively art form located on historic Main Avenue and other popular locations in Aztec.

Map

1. Music is Healing Piano

2. Aztec Ruins Piano

3. Dr. Seuss Piano

4. Swisserland
(Block of Swiss cheese and mice)

5. A Grand Old Lady Piano
This antique piano is not painted, however being from Boston Massachusetts and over 100 years old, it paints an interesting history.

6. P W Walters Player Piano
This piano is over 120 years old and still has music rolls that can be played on this vintage antique player piano.
The piano was donated by Annette Tidwell Abend.
